Dear Mike & Tim

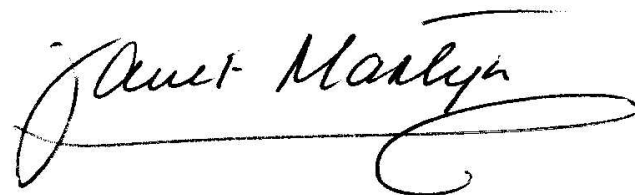

Please forgive me for taking so long to say a big thank you for the wonderful job you did in giving me a wonderful new kitchen.

The work you did for me was in many ways above and beyond the call of duty, your patience and expertise are what should be available with all trades people but you both went beyond the norm, thank you so much.

I have already had lots of wonderful comments on the beauty and workmanship of my kitchen and have therefore given freely recommendations to a lot of friends who are very interested in your services.

I really appreciate everything and it was a great pleasure meeting you both.

Sincerely,

A handwritten signature in black ink that reads "Janet Martyn". The signature is written in a cursive style with a long, sweeping underline that extends to the right.

Janet Martyn.
